Wendy, could we schedule for Tuesday afternoon (or if that does not work anymore, Wednesday morning)? I expect to be joined by several representatives from Occidental Chemical and Olin Chemical. That group will likely include Neil Ackerman, B.J. Hebert, Rebecca Rentz (all of Oxy) and John McIntosh and perhaps one other from Olin. Judith Nordgren of the ACC staff may well join as well.

I appreciate your offering Friday so that Jeff could participate but we could not get the company folks in by then. I hope that you will include any other EPA staff that should participate. I did let Robert Courtnage know I was raising the meeting request with you.

I'll look forward to seeing you next week. In the meantime, please let me know if I can provide any additional information. Regards, Mike

Mike,

I apologize for the delay in getting back to you. We're running full out on TSCA right now, with June 22 looming.

Would Friday work for you? That will allow Jeff Morris to participate, since he'll be at the OECD Joint Meeting next week. On Friday, we're available at 9, 2:15, and between 3:30 and 5 pm.

If Friday doesn't work, I have availability next week, and we can make that work: Tues afternoon, Wed morning and after 4 pm, Thur afternoon.

Please let me know and we'll get it set up.

Wendy
